Corporate Social Responsibility

Corporate Social Responsibility (CSR) is the social responsibility of companies in the sense of sustainable economic activity.

HUECK FOLIEN is committed to the following CSR principles and equally demands compliance with these principles from suppliers and business partners:

- Respect for human rights
- No child labor
- Fair working conditions and remuneration
- Combating forced labor
- Ensuring equal treatment and anti-discrimination
- Occupational safety and health
- Engagement against corruption
- Prevention of cartelization
- Promoting transparency
- Protection of intellectual property
- Compliance with laws / rights
- Gentle handling of resources (material, energy, waste, etc.)
- Reduction of emissions (air, water, noise etc.)
- Sustainable profitability
- Consideration of CSR principles by selecting suppliers
